Dear Mr. Panzera:

SUBJECT: Quality System Evaluation- Space Vector Corporation.

A Quality System Evaluation was performed on Space Vector Corporation for successful adaptation and application of ISO 9001:2000 AND AS9100:2001 as they relate to government contracts.

Your attainment of these standards is based upon the results of a DCMAW-GVOW quality system evaluation. The evaluation included a review of third party registration audit documentation, including certificate of registration.

DCMA will maintain a copy of this accomplishment with your Administrative Contracting Officer.

Congratulations!
